

ETI datasets

ETI produced a different licence for each of their datasets which had the information about the project name and partners in the licence. The text below has the generic part of the licence and indicates where specific projects and their partners are entered in the licence for that specific project

Name of specific project - ETI Open Licence for Materials

The Energy Technologies Institute LLP (the ETI) is making this Document available for Use under the following conditions from the (named specific) Project. This is intended to make this Document available on a similar basis as under the Open Government Licence but it is not Crown Copyright and it is owned and licenced separately by the ETI.

You are encouraged to Use and re-use the Document that is available under this licence freely and flexibly, with only a few conditions.

Using the Document under this licence:

Use of the Document made available under this licence indicates your acceptance of the terms and conditions below.

The ETI grants you a worldwide, royalty-free, perpetual, non-exclusive licence to Use the copyrights and database rights (if any) in the Document subject to the conditions below.

This licence does not affect your freedom under fair dealing or fair use or any other copyright or database right exceptions and limitations.

You are free to:

- copy, publish, distribute and transmit the Document;
- adapt the Document;
- exploit the Document commercially and non-commercially for example, by combining it with other materials, or by including it in your own product or application.

You must, where you do any of the above:

- acknowledge the source of the Document by including the following acknowledgement: "These materials are taken from a project, funded and commissioned by the ETI and carried out by the (named project partners)"
- Provide a copy of or a link to this licence.
- State that the Document contains materials protected by copyright licensed under this ETI Open Licence.
- Acquire and maintain all necessary licences (if any) to any Third Party IP needed to use the Document.
- Comply with any additional requirements for Use states on the cover page of the Document.

These are important conditions of this licence and if you fail to comply with them the rights granted to you under this licence, or any similar licence granted by the ETI, will end automatically.

Exemptions:

This licence only covers the ETI's copyright and database rights (if any) in the Document and does not cover:

- personal data in the Document;
- trade marks of the ETI and any of the Participants (or their sub-contractors) identified in the Document or otherwise; and
- any other intellectual property rights, including patents, trade marks, and design rights.

Non-endorsement:

This licence does not grant you any right to Use the Document in a way that suggests any official status or that the ETI endorses you or your Use of the Document.

Non warranty and liability:

The Document is made available for Use without charge. In downloading the Document, you accept the basis on which the ETI makes it available.

The Document is licensed as is and the ETI excludes all representations, warranties, obligations and liabilities in relation to the Document to the maximum extent permitted

by law.

The ETI is not liable for any errors or omissions in the Document and shall not be liable for any loss, injury or damage of any kind caused by its Use. This exclusion of liability includes, but is not limited to, any direct, indirect, special, incidental, consequential, punitive, or exemplary damages in each case such as loss of revenue, data, anticipated profits, and lost business.

The ETI does not guarantee the continued supply of the Document.

Governing Law:

This Agreement and any dispute or claim arising out of or in connection with it (including any non-contractual claims or disputes) shall be governed by and construed in accordance with the laws of England and Wales and the parties irrevocably submit to the non-exclusive jurisdiction of the English courts.

Definitions:

In this licence, the terms below have the following meanings:

- 'Document' means the document, model and/or spreadsheet together with the information contained within the document protected by copyright or by database right (for example, literary and artistic works, content, data and source code) offered for Use under the terms of this licence.
- 'ETI' means the Energy Technologies Institute LLP, a limited liability partnership (OC333553), whose registered office is at Charnwood Building, Holywell Way, Loughborough, LE11 3AQ.
- 'Third Party IP' means any third party intellectual property rights which are required by you to Use the Document.
- 'Use' means doing any act which is restricted by copyright or database right, whether in the original medium or in any other medium, and includes without limitation distributing, copying, adapting, modifying as may be technically necessary to use it in a different mode or format.
- 'You' means the natural or legal person, or body of persons corporate or incorporate, acquiring rights under this licence.
